from the creation and the tree of knowledge through the exodus from egypt and the journey to the promised land james kugel shows us how the earliest interpreters of the scriptures radically transformed the bible

a clear guide to help readers understand why they can trust the bible we are often told we can no longer assume that the bible is trustworthy from social media memes to popular scholarship so many attacks have been launched on the believability of scripture that many have serious questions about the bible such as did jesus actually live did the biblical writers invent their message how can we trust the gospels since they were written so long after jesus lived how can we believe a bible that is full of internal contradictions with itself and external contradictions with science aren't the biblical manuscripts we have just copies of copies that are so corrupted they don't represent what the original authors wrote why should we believe

the books that are in the bible since many good ones were left out like the gospel of thomas why trust the bible when there are so many contradictory translations of it if you find yourself unable to answer questions such as these but wanting to why i trust the bible by eminent bible scholar and translator william mounce is for you these questions and more are discussed and answered in a reasoned definitive and winsome way the truth is that the bible is better attested and more defensible today than it ever has been questions about the bible are perhaps the most significant challenge confronting christian faith today but they can be answered well and in a way which will lead to a deeper appreciation for the truth and ongoing relevance of the bible

in this book thomas merton presents an interesting and lucid exploration of the function of the bible in contemporary society the author is particularly concerned with the bible as a dialogue between god and man with the bible s relevance for the large number of people who challenge its fundamental truth and with modern attitudes to the bible s ethical and moral teachings his approach is fresh and lively he discusses the attitudes of writers and thinkers as diverse as dietrich bonhoeffer erich fromm pasolini william faulkner and marx as well as the scriptural writings of other world religions such as judaism buddhism and confucianism

it is sometimes said that the bible is one of the most unread books in the world yet has been a major force in the development of western culture and continues to exert an enormous influence over many people s lives this very short introduction looks at the importance accorded to the bible by different communities and cultures and attempts to explain why it has generated such a rich variety of uses and interpretations it explores how the bible was written the development of the canon the role of biblical criticism the appropriation of the bible in high and popular culture and its use for political ends about the series the very short introductions series from oxford university press contains hundreds of titles in almost every subject area these pocket sized books are the perfect way to get ahead in a new subject quickly our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

accustomed as we are in following the chapters and verses making up the bible it is hard for us to realize that the original scriptures had no such division this present volume presents a double barreled design not only does it provide a brief summary of every chapter of the bible which the preacher and student can enlarge upon for bible study purposes but also a daily devotional book with a daily message for every day of the year for almost three years

although many catholics are familiar with the four gospels and other writings of the new testament for most reading the old testament is like walking into a foreign land who wrote these forty six books when were they written why were they written what are we to make of their laws stories histories and prophecies should the old testament be read by itself or in light of the new testament john bergsma and brant pitre offer readable in depth answers to these questions as they introduce each book of the old testament they not only examine the

literature from a historical and cultural perspective but also interpret it theologically drawing on the new testament and the faith of the catholic church unique among introductions this volume places the old testament in its liturgical context showing how its passages are employed in the current lectionary used at mass accessible to nonexperts this thorough and up to date introduction to the old testament can serve as an idea textbook for biblical studies its unique approach along with its maps illustrations and other reference materials makes it a valuable resource for seminarians priests scripture scholars theologians and catechists as well as anyone seeking a deeper understanding of the bible

narrative of israel writings of israel prophets of israel gospels and acts epistles and revelation

with page upon page of names like melchizedek mephibosheth and meshelemiah hundreds of stories some touching others humourous and still others that are gruesome sometimes difficult to understand theology and strange visions who wouldn t feel overwhelmed and confused about the bible how does it all fit together but imagine that the bible is a 1 000 piece puzzle it s easier to figure out what you re putting together if you have the picture on the box to go by and the corners and straight edges as guides the chapters in this book provide the puzzle s box cover corners and straight edged pieces providing you with the key to unlock the secret of the bible putting together the puzzle of the bible breaks up both the old and new testament in digestible chunks or eras when you read or study bible passages the knowledge of those eras will enable you to place the passage in its chronological context and easily understand how the puzzle fits together putting together the puzzle of the bible is ideal for those who have little or no familiarity with the bible or for pastors and lay leaders to help teach a better understanding of the word of god

in this beautiful book steve green founder of the museum of the bible highlights life changing themes woven through the mosaic of the bible s various stories reveals a new way to engage scripture as a whole and inspires deep appreciation for the bible s connection to your life the most popular and culture shaping text in the world the bible is still the least understood book of all time the bible s collection of history poetry genealogy lists and mystifying prophecies often prove puzzling to readers and when this text is read in pieces we re left with only a half impression of the vibrant mosaic this beautiful book highlights the thematic threads woven throughout the ancient writings and shows us a new way to engage with scripture as a whole through insights gained from firsthand experiences in leading and developing the first world class bible museum green invites readers to step back from the individual stories of the bible and consider the bible as a whole he reveals the completeness connection and transformative power of scripture along with stunning retellings of biblical stories green helps readers see the story within the story and draws the careful connections that help us appreciate the richness of the bible story as a single story each page will spark or embolden your faith in a god who speaks to us across the centuries a truly captivating experience this book will instill in you a deep appreciation for scripture and its profound connection to your own life story

the bible is certainly the most mysterious book ever created the scriptures are filled with hundreds of curious passages that have puzzled both jews and christians for thousands of years in this powerful faith building book respected author grant r jeffrey takes the reader on a journey of mystery while uncovering deep truths found in the word of god it is the glory of god to conceal a thing but the honour of kings is to search out a matter proverbs 25 2 key topics include the mystery of 3 days and 3 nights and christ s resurrection the mystery of the virgin birth and the star of bethlehem the fall of the walls of jericho ancient egyptian manuscript confirms the 10 plagues of exodus joshua s long day jonah and the great fish the mystery of the lost treasures of the temple why christians worship on sunday

for many millions god s word is unexplored and uncharted territory yet the bible is not only designed to help humans beings cope in a world caught up in all kinds of crisis it contains the good news of the kingdom of god showing how god will solve the many problems of a world edging ever closer to catastrophe in this bible study lesson you will discover how the bible reveals great truths that when comprehended can transform your life in ways you ve never imagined inside this bible study lesson introduction bible study course lesson 1 why the bible is the word of god crisis on the world scene learning to appreciate the bible how to begin your study how does god reveal knowledge considering the existence of god why the bible is different how the bible helps cement broken relationships answering the great mystery why did god create man discovering the great unknown our incredible human potential relying on god in an uncertain world a close encounter believers in god believers in the bible reader helps the books of the bible glossary points to ponder ucg org bible study course

the doctrines treated in this book are dealt with from the standpoint of biblical rather than dogmatic theology this is evident from the plan which is followed in the work namely to gather together all the scripture passages dealing with the subject under consideration and from them choose a required number that may be called representative then seek to understand the meaning of these references by the study of the text itself as well as its context and parallel passages and finally from the selected proof texts formulate the doctrinal teaching and place such results under appropriate headings the doctrines of god jesus christ and the holy spirit are more fully dealt with than the doctrines which follow this is especially true of the doctrine of god the reason for this is to set forth the method pursued in these studies and to give a pattern for the study of the doctrines to follow william evans the great doctrines of the bible

join patrick madrid and discover the majesty and power of scripture in a year with the bible scriptural wisdom for daily living beautifully bound and embossed this daily devotional offers rich passages from the bible accompanied by thoughtful meditations by madrid world renowned writer and scholar this vibrant and spiritual collection is the perfect daily companion packed with the wisdom of the scriptures the word of god a year with the bible is a worthy introduction to scripture a daily devotional a tool for deeper prayer this book is as
